Cayuga County Resident Survey

Local Solid Waste Management Plan Update

The Cayuga County Planning Department is currently updating the county-wide Local Solid Waste Management Plan. An integral part of this state mandated process is to outline the current waste management resources that are available for residents in each municipality.

In this survey, we are seeking resident feedback on their trash/recycling services, the amount of waste generated by each household, and participation in the County's recycling events. All answers will remain anonymous and we ask that each household only responds once.

The deadline to fill out this survey will be November 1, 2021. If you have any further questions, please contact Jenna DeRario at 315-253-1203. You can access the online survey at: www.cayugacounty.us/survey.

Board Vacancy Position for Zoning Board of Appeals

The Town of Montezuma is seeking applicants to fill one open board position and one alternate board position on a three-member Zoning Board of Appeals. The Zoning Board of Appeals has the power, on appeal from a decision or determination of the Code Enforcement Officer, to grant area variances as defined in the Town's Zoning Ordinance Law. The ZBA meets only when a determination needs to be made on an appeal and training classes are available.

Please send a letter of interest and contact information to: June Smith, Town Clerk, Town of Montezuma, 8102 Dock Street, Montezuma, NY 13117, or call (315) 776-8844.
